

Masotti & Berger with Ab Medica for JV in Spain

Milan, February 17, 2017 – Masotti & Berger advised Ab Medica in the negotiation for a JV with Palex Medical for the distribution in Spain and Portugal of the intuitive surgical Da Vinci Robotic device.

The JV company active in the Iberian peninsula will be “ABEX Excelencia Robotica” and the share capital will be owned 70% by Ab Medica and 30% by Palex. The team was lead by the partner Luca Masotti who was also appointed as board member of Abex, and Palex was advised by Barcelona law firm Roca Junyent, with a team lead by the partner Alex Llevat.
